

**AIR & WASTE MANAGEMENT
ASSOCIATION
Lake Michigan States Section**

**INVITATION TO STUDENTS AND YOUNG PROFESSIONALS
JOIN THE AIR & WASTE MANAGEMENT ASSOCIATION
LAKE MICHIGAN STATES SECTION**

WHAT IS THE AIR & WASTE MANAGEMENT ASSOCIATION LAKE MICHIGAN SECTION?

The Air and Waste Management Association is a professional society of environmental scientists, engineers, lawyers and related professions from government, industry, academia, consulting and NGOs.

The Lake Michigan States Section of the Air & Waste Management Association (A&WMA-LMSS) is a unit of the international Air & Waste Management Association (A&WMA). The Section covers Illinois, Northwest Indiana, Wisconsin, and Western Michigan with chapters of the association represented throughout the region. <http://www.lmawma.org/>

**MEMBERSHIP BENEFITS
FOR STUDENTS AND YOUNG ENVIRONMENTAL PROFESSIONALS**

Students and young professionals are an integral part of the A&WMA. Below is a list of the benefits students and young professionals receive through their membership with the A&WMA.

- **Networking** –Network with other students, young professionals, and seasoned professionals. Attend student and young professional outings.
- **Mentorship** –Connect with seasoned professionals in your field of interest who can advise on jobs, marketing, and professional development.
- **Professional Development** – Attend our hot topic breakfast seminars, annual air and waste conferences, and national A&WMA conferences and qualify for Continuing Legal Education (CLE) credits and Professional Development Certificates (PDH).
- **News & Information** – Stay abreast of developments in your field through A&WMA magazines and Newsletters; Publish articles in our Section Newsletter or co-author A&WMA journal articles.
- **Internships** – Access to our members-only list of internships.
- **Scholarships** –Apply for member-only scholarship opportunities to attend A&WMA seminars and conferences.

DISCOUNTED ANNUAL MEMBERSHIP RATES FOR STUDENTS AND YOUNG PROFESSIONALS
